Creative Touch 5 Series 65" premium interactive flat panel display

- **Advanced interaction and collaboration - TapCast Pro interactive wireless collaboration toolset**
- **High-end design and features - Ultra-slim bezel and premium software features**
- **Quick-draw pen and holder - Start the session in seconds with instant whiteboard app activation**
- **Advanced touch technology - Pen and finger recognition for a seamless experience**

Optoma Creative Touch 5 Series premium interactive flat panel displays provide excellent collaboration and connectivity features for any classroom or business space.

Premium wireless collaboration software tools are preinstalled to enable seamless interactivity from a variety of different devices.

The included quick-draw pen instantly activates the whiteboard application, saving the time and energy spent on having to manually change modes.

With a slim, narrow-bezel, high-end design the 5 Series will fit seamlessly into any environment. The screen features a 1mm air gap for natural touch functionality so you can write clearly and confidently with improved accuracy.

Meeting room scheduling is simplified with the included Joan meeting widget and app, a collaborative calendar tool that seamlessly pairs with popular calendars to take the guesswork out of meeting room availability directly. Book meetings on the spot or through your existing desktop calendar and mobile phone.

## Specifications
