

DuraCare Warranty

DuraCare Warranty

Optoma's additional DuraCare warranty package offers a warranty designed for very high duty operation. It ensures higher average brightness and exceptional reliability over an extended period of up to 5 years or 24,000 hours. This additional package has the added benefit of a preventative maintenance service at 12,000 hours which will return the performance back to the day it was manufactured.

12,000 hour re-manufacture service:

Replacement of laser light source Replacement of critical components and moving parts Internal inspection and cleaning
