

ZH510Te

Brighter for longer – 30,000 hours full brightness mode

- Bright Full HD 1080p laser projector 5500 Lumens
- 30,000 hours maintenance-free laser light source at full brightness mode
- Dust resistant Independently tested, IP5X certification for total reliability
- Versatile orientation including 360° projection

The ZH510Te is a ProAV projector offering bright, vivid image quality at 5,500 lumens (5000 ANSI) in Full HD 1080p resolution. Using advanced optical components and a lightweight compact chassis. The ZH510Te has an IP5X-certified dust resistant laser phosphor optical engine. Designed for maintenance free, continuous operation, 24 hours a day. The ZH510Te is truly a fit and forget projector. Developed for maximum flexibility, this solid-state laser projector includes a fixed lens with horizontal and vertical lens shift, offering a unique 1.2-2.13 throw ratio and a zoom ratio of 1.8x. The projector can be installed in any orientation including vertically up, down and portrait without effecting performance. The HdBaseT feature further adds to installation flexibility by allowing users to easily send and display audio and video files with a single cable.
